

WESTBROOK  
 PLAN — 1,331 SF  
 GARAGE, 409 SF

**The WESTBROOK  
 Townhome Plan, One Story**

*Choose a Jennie's Meadow townhome and enjoy all the convenience of a managed yard and exterior!*

**Single family home lifestyle:** Your townhome at Jennie's Meadow comes with a deeded lot—these are not condominiums. Every townhome has its own interior walls, separated by an airspace from the walls of the adjacent townhome. Sound board between walls and insulation within the walls ensures quiet. A covered porch and oversized front door complete the feel of a single family home.

**Convenient single-floor plan features 9-foot ceilings:** Light-filled great room area opens onto covered patio. **Master suite** has full bath and dressing area and there's a **second bedroom and bath** for guests. **Kitchen, breakfast nook and laundry** offer convenient access from **attached two-car garage**.

**Jennie's Townhomes offer the best location in Sequim:** Shopping and recreation are just a few steps away and tree-lined streets connect to your private trail system. Enjoy the great outdoors, with open spaces, a preserved eagle corridor, and mountain views right in your own neighborhood. It's all at the center of the Olympic Peninsula playground with beaches, trails and historic towns nearby.

For more information or to reserve your opportunity to purchase a Townhome at Jennie's Meadow, call Westerra Homes, (360) 697-3065.
